NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

After living within a block of downtown for eight years we find it a little hard to get used to living about as far from town as you can get and still be in the city limits.

For the benefit of those who did not see us going back and forth this weekend trying to get all of the household goods moved—the Craigs have moved again. But this time it was at home rather than the business. Boy, you have to be a little crazy to move both in one year, and especially within a six month period.

We received the following letter this week from H. R. Daniell: Dear Bob,

I don't know if you have seen this clipping or not. But I think it worthwhile to print. I liked the editorial you printed the other day very much. I think it is time we, the American people, came to life. We have been quiet too long. I believe it is far later than we think. Communism is fast taking over and I believe our news media can help with our help. Hope to see this in print in lots of papers.

(Editor's note: the following is the clipping and although we ran it several years ago it is making the rounds again and we have had several request to run it.)

WHAT COMMIES SAID 51 YEARS AGO

If you think most of the problems that beset the world and our nation today just happened that way; if you think it is a natural trend born of the modern age; if you think that it will suddenly all dissolve when we, the people, get tired of being bothered, then read an excerpt from a file on "Communist Rules for Revolution," published before 1919! The file was obtained by the armed forces in Düsseldorf, Germany. These were the instructions issued to those who were to bring about world revolution:

A. Corrupt the young, get them away from religion. Get them interested in sex. Make them superficial, destroy their ruggedness.

B. Get control of all means of publicity and thereby:

(1) Get people's minds off their government by focusing attention on athletics, sexy books and plays, and other trivialities.

(2) Divide the people into hostile groups by constantly harping on controversial matters of no importance.

(3) Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and obloquy.

(4) Always preach true democracy but seize power as fast and ruthlessly as possible.

(5) By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.

(6) Foment unnecessary strikes in vital industries, encourage civil disorders, and foster a lenient and soft attitude on the part of government toward such disorders.

(7) By spacious argument cause the breakdown of the old moral virtues; honesty, sobriety, continence, faith in the pledged word, ruggedness.

C. Cause the registration of all firearms on some pretext with the view of confiscation of them and leaving the population helpless."

This quite definitive treatise was first given public notice when it was printed in the Bartlesville, Oklahoma, Examiner-Enterprise. Printed but no one gave it much thought. Just fifty-one years later those who were given the plan of attack can check full 100 percent success in their efforts. We are sure there is now another such set of instructions, going on from where these left off.

1970 HONOR GRADUATES—Honor graduates for the Class of 1970 are, from left, Peggy Jones, daughter of Mr. and Mrs. Carl Jones, Mary Jane Wallace, valedictorian, daughter of Mr. and Mrs. V. M. Wallace, Chris Perrin, salutatorian, son of Dr. and Mrs. E. D. Perrin and Charlie Shira, son of Mr. and Mrs. Bill Shira.

Preliminary Census Figures Show Jones County Down 3600

While no preliminary figures are available from the Bureau of Census for the City of Hamlin, Jones County has suffered a drop of some 3600, according to the figures released by the Wichita Falls district last week.

No figures were available for cities under 10,000 in this preliminary report. Jones County dropped from 19,303 in the final 1960 count to 15,705 in the preliminary count this year. All area counties suffered similar losses according to the report.

Fisher County dropped from 7,861 to 6,168; Stonewall from 3,017 to 2,359; and Haskell from 11,174 to 8,236. The Census Bureau will commence in the fall of 1970

Camp Fire Day Camp To Start Monday Morning

The Hamlin Camp Fire Day Camp will get underway Monday at 8:45 a.m. at the Camp Fire site near South Lake.

Sessions will be held daily through June 12 from 8:45 a.m. to 2:30 p.m.

Volunteers to help with the camp may call 576-3229.

DAVID CRYMES . . . internship here

Law Enforcement Student Serving Internship Here

David Crymes, 21, son of Dr. J. Melvin Crymes of Colorado City and a senior law enforcement student at Hardin-Simmons University, is taking his internship at the Hamlin Police Department.

The internship will consist of one full semester of observation within the Police Department. He will study records, procedures and assist the dispatcher.

He holds an associate of arts degree in Police Science from Howard County Junior College in Big Spring.

A number of H-SU law enforcement students have indicated an interest in taking their internship in the Hamlin Police Department, according to Police Chief Bryan Wasson.

to publish official population figures for all areas in the United States—States, counties, cities, towns and villages.

With so many areas showing a drop in population there is an effort being made on the part of county and city officials and chamber of commerce to make an extra effort to see that everyone has been counted.

If anyone in this area has been missed they are urged to contact the Hamlin Board of Community Development or The Hamlin Herald.

Two From Here To Graduate From Nursing School

Frankie Conner and Mrs. S. C. (Avis) Teague of Hamlin will be among the 11 students of Stamford Memorial Hospital School of Vocational Nursing to graduate June 12. Graduation will be held at 8 p.m. at St. John's United Methodist Church in Stamford. A reception will follow in Fellowship Hall.

C. E. Brownfield Jr., attorney-at-law, will be the speaker. Mrs. Don Connally will present the diplomas. Instructors for the class were Mrs. Connally, Mrs. Ryland Gleanon and Mrs. John Edward Newquist.

Other students are from Stamford, Weinert, Haskell, Lueders and Munday.

Farmers Told Early Certification Will Mean Early Payments

Jones County farmers who are taking part in the feed grain, wheat and cotton programs are being reminded that early compliance and early certification will mean early payments this year.

John E. Nix, Chairman of the Jones County Agricultural Stabilization and Conservation (ASC) Committee, said that while farmers should certify compliance as soon as possible, they also must understand that acreage certifications are not to be made until they know they are in compliance with all program regulations.

When a participant in a 1970 farm program certifies compliance, he certifies accurately to acreage in the program crops and to diverted acreage. He also certifies that he has complied with conserving base provisions, with regulations that apply if he has an interest in more than one farm, that the diverted acres on his farm are devoted to an approved conserving use, and that all other program requirements have been met.

As soon as a program participant certifies, the County ASCS Office begins processing

Riding Club Moves Family Night to Monday Evening

The Hamlin Riding Club announces the change of Family Nights to Monday night beginning June 8.

The Club has been sponsoring the family nights on Saturday but decided recently to change to Monday evening at 7:30.

Everyone is invited to participate at the weekly events at Hamlin Riding Club arena on the Aspermont Highway.

Swimming Pool Opens Tuesday

The Hamlin Foundation Swimming Pool opened here Tuesday under the management of Dan Truelove.

Swimming classes will begin Monday, June 8. Further information may be obtained by calling 576-3303 or 576-3120.

Office to Close

Patrolman James Cagle, Drivers License officer for the Texas Department of Public Safety serving Jones County, has announced that he will not be in Hamlin on June 17.

The patrolman is in Hamlin each Wednesday in an office of the Hamlin Police Department.

Stacy Bell, 9, daughter of Mr. and Mrs. Don Bell, won first in barrels with 16.50 and first in poles with 25.52 at the Seymour Pee Wee Rodeo last Friday evening.

Wheat Harvest Just Waiting on Weather

Most of the area's wheat crop is ready to cut, according to reports from Moore Elevator, and is only waiting for the fields to dry up and the moisture content to come down.

Some wheat was cut Friday and Saturday, but Sunday was the first good day for

the crews to work. The moisture content was still high on Saturday and the Sunday night and Monday morning rains brought the harvest to a halt again just as it was getting started.

While there has not been

enough wheat to cut to confirm any averages, Guy Weaver reports from Moore Elevator that the yields are running above average.

He reported that at the present time there were plenty of crews on hand to take care of the harvest and that the only problem will come if the rains continue and some of the crews have to move on northward.

The area's harvest is running later than usual this year because of the rains. Most years the local crop is some of the earliest in the nation to be cut with the first car load of wheat coming from here. But this year the first car was shipped from the Wichita Falls area and some was being cut north of here last Wednesday.

The current crop was expected to have been ready to cut last Tuesday, May 26, but the weekend rains delayed it and the rains this weekend have delayed it some more.

Precinct Two To Vote In Primary Sat.

Fisher County voters in Precinct Two will go to the polls Saturday to decide the winner in the Commissioners race. Frank Allen and E. J. (Junior) Kiker were the top two vote getters in the first Democratic Primary and are facing each other in the second primary Saturday.

With no state-wide runoff elections, this is the only race in the area to be decided in the second primary.

In the first primary Kiker drew 179 votes and Allen 114. Others in the race were M. A. Hughes with 98 votes and Dick Gruben with 94.

Milburn Wink To Attend Three Week Workshop

Milburn Wink, Vocational Agriculture teacher at Hamlin High School, is one of ten vocational agriculture teachers from the state of Texas selected to attend a three-week workshop this summer. The workshop will be conducted at Texas A & M University June 8-26. The Texas Education Agency is cooperating with Texas A & M in conducting the workshop.

Teachers attending the workshop will develop instructional materials for use by the vocational agriculture teachers of Texas. They will be developing the curriculum and daily lesson plans which are to be used for teaching the third year of vocational agriculture in the high schools of Texas.

VFW Poppy Day Nets \$185 Here

The Veterans of Foreign Wars and their Ladies Auxiliary expresses appreciation to all who made their annual Poppy Day a success. Donations to the project netted some \$185 Saturday.

The group especially thanks Mrs. D. O. Waymire who helped with the project.

The Poppy Day event is one of the most important days for VFW and was observed this year on Memorial Day, a most significant national holiday.

Debra Elmore Wins Government In Action Youth Tour to Capitol

Debra Sue Elmore, daughter of Mr. and Mrs. Don Elmore and senior in Hamlin High School, will leave June 12 on a 12-day Government in Action Youth Tour to Washington, D. C.

Debra was an alternate for the trip which is sponsored by Midwest Electric Cooperative. She was notified last week that she would get to make the tour after trip winner Kathy Martin of Snyder was unable to go.

Randy Roemisch of Hermleigh will also be making the trip. The two youth will be among 80 young people from all over Texas participating in the sixth annual Texas Electric Cooperatives Youth Tour.

Included on the trip will be visits to the Capitol, White House, Rural Electrification

Administration Headquarters Department of Agriculture, Senate, House of Representatives and many of the shrines and memorials dedicated to the everlasting memory of Great American Leaders.

Following the trip the two will be given a picture record of their trip in slides for program presentations to school, civic groups and other organizations.

Debra is a member of the Hamlin Church of Christ and is an outstanding barrel racer in rodeos. Last July she won the sponsors saddle at the Texas Cowboy Reunion.

Last year this trip was made by Jo Lynn Johnson, daughter of Mr. and Mrs. John T. Johnson, now a student at East Texas State University in Commerce.

Driskell-Ledbetter Vows Exchanged

Norma Taness Driskell, daughter of Mr. and Mrs. H. L. Tuder, was married Tuesday evening to Gary Lynn Ledbetter, son of Paul Ledbetter.

Vows were read in Sunset Baptist Church by the pastor, Rev. Aaron Ellison. Hattie Warnell was pianist.

Given in marriage by her grandfather, Homer Tuder, the bride wore a gown of white satin and lace which extended to a chapel train. Her shoulder length veil accented with pearls fell from a white satin headpiece. She carried a bouquet of daisies and Frenched carnations.

Debra Shook of Wichita Falls was maid of honor. Martha Ellison was bridesmaid. Miss Shook wore a pink knit dress and white lace satin headress. Her flowers were yellow and white mums. Miss Ellison wore a yellow dress. Her headpiece was white satin and her flowers were pink gladiolas.

Joe Don Helms was best man. Ushers were Samuel James Stephens and James Lester Stephens, both of Sevierville, Tenn.

Flowers were strewn by Paula Marie Stephens and Bill Andre Stephens. Cordell Shook was ring bearer.

Willis Wardwell hosted the reception in the Fellowship Hall.

After a wedding trip to Gatlinburg, Tenn., the couple will be at home July 1 in Abilene.

The bride is a high school

senior. She attended Hamlin High School.

Ledbetter, graduated from Hamlin High School this spring.

McBride Circle Sets Ice Cream Supper June 21

McBride Circle of First United Methodist Church will sponsor an ice cream supper after the evening worship, June 21. Plans were made at the May 20 meeting in the home of Mrs. C. F. Hilburn. Attending the meeting were Mmes. John D. Ferguson Jr., Horace Driver, Robert Wilson, Parker Kelly and James Harrison.

Latrese Williams, Mrs. J. W. Carter To Attend Clinic

Latrese Williams and her Homemaking advisor, Mrs. Joe Wayne Carter, will be attending the Area IV FHA Leadership Conference for incoming area officers at Tarleton State College, Stephenville June 8-9.

Latrese is the state Future Homemakers of America third vice president in charge of local, area, state and national projects.

Paula Wilfong and her advisor, Miss Glenda Hudspeth, both of Weirnet will accompany the two from Hamlin.

Mrs. Hopper Hosts Ruth Class Meeting

Ruth Sunday School Class of North Central Baptist Church met in the home of Mrs. Eddie B. Hopper with 10 members present.

Mrs. Floyd Wallace gave the opening prayer.

Mrs. Hopper gave the devotional on the 23rd Psalm. The Bible Quiz was conducted by Mrs. Jess Treadwell. The closing prayer was by Mrs. M. L. Haught.

Meetings Held On Use Of Commodities

Mrs. Joe Wayne Carter and Mrs. James Simmons, Hamlin homemaking teachers, and Mrs. B. V. Newberry, Jones County Home Demonstration agent, conducted two group meetings this week on the "Use of Commodity Foods" in the homemaking department of Hamlin High School.

The importance of good nutrition was stressed. They also demonstrated the use of some commodity foods. These sessions were held Monday and Tuesday afternoons.

Wednesday, Mrs. Mary Caton, home service director, West Texas Utilities, gave a demonstration to these groups on freezing foods.

MRS. TONY COLLINS
... formerly Aline Gray

Gray, Collins Vows Read In Stamford

Aline Gray became the bride of Tony Collins in a double ring ceremony performed Saturday evening, May 30, in the sanctuary of the First Assembly of God Church in Stamford. Rev. Bobby James officiated.

Parents of the couple are Mr. and Mrs. Clovis Gray of Route 2, Stamford, and Mr. and Mrs. Joe Collins, Route 1, Hamlin.

At the altar, the couple exchanged vows before an arch of greenery. White pom poms together with green palms completed the setting.

Given in marriage by her father, the bride was attired in a formal gown of white peau de soie designed with scalloped sweetheart neckline. The long fitted lace sleeves tapered to form petal points over the hands. The empire bodice was covered with an overlay of lace and A-line skirt was trimmed with lace appliques. A border of scallops framed the hemline and completely circled the detachable lace train which fell from the back bodice to a chapel length. Her bouffant veil of illusion was attached to a cluster of silk organza roses.

Mrs. Richard Jones, sister of the bride, was matron of honor. She wore a floor-length gown of blue crepe.

Larry Collins, brother of the groom, was best man. Ushers were Larry Teichelman of Grand Prairie and Howard Williams of Hamlin.

The bride's mother wore a blue dress with elbow length lace sleeves. The bridegroom's mother wore a light brown beige A-line dress.

A reception was held immediately following the ceremony in the Youth Hall.

Mrs. Larry Teichelman, sister of the bride, registered guests. Mrs. Norman Whit-

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(June 5, 1925)

Hamlin is short two big hay barns and about forty tons of various kinds of hay, as a result of a fire that consumed the Fred Moore hay barns, Tuesday night, about nine o'clock. These buildings were located just south of the main feed

warehouse in the east part of town. The fire got a good start before it was discovered, and all that the fire department could do was expected to do was to keep the fire confined. Although the wind was favorable for a greater fire the boys stood their ground and saved the main building. The car caught but was extinguished. The fighters were in eminent danger most of the time, as the smoke and blaze kept them obscured from view and it looked like they would be compelled to run a death gauntlet if forced to retreat.

Mr. Moore did not carry any insurance on the hay buildings and contents as such rate is very high and he tried to keep his stock reasonably low. No part of his business will be effected except the hay. All other feeds are not hurt.

This week W. C. McBride moved his family to Neinda where he will begin to get ready for this years ginning. Mr. McBride was manager for the Planters Gin last season, but now he is owner of the Neinda Gin. Fred H. Britton, who has formerly operated the Neinda Gin has acquired the Morrison Gin here in Hamlin and is preparing for a big season this fall. Mr. Morrison is out of the gin business and has retired to Abilene, leaving his pretty home in Hamlin to be occupied by Charles H. Strauss and family.

J. W. Hodges and family of Slaton arrived Sunday to make Hamlin their home. Mr. Hodges takes Mr. North's place as Superintendent of the Hamlin Compress. Mr. Hodges likes Hamlin fine, and hopes to keep up the good record of the Hamlin Compress. He will occupy the Cozen residence near the Morgan Hotel.

TWENTY YEARS AGO
(June 2, 1950)

Interest mounted late this week in the Wheelock Drilling Co. No. 1 Jess Young well on the southeast outskirts of Hamlin.

Operators have already passed through the Flippen and Gunsight pay sections without encountering commercial possibilities and are at the approximate depth to encounter the Swastika at press time.

Latest announced depth of the well was 3,340 feet and returns were being watched for indications of the Swastika pay. Opinion is that the operators are principally interested in the Strawn and Ellenburger levels but all formations are being carefully watched as the hole progresses.

It was considered expedient to lay down old drill pipe and replace with new on Wednesday and the necessity of this operation has delayed penetration into the Swastika horizon.

In softball league play this week Hamlin VFW defeated McCaulley 15 to 0 in the first game Monday, May 29 and Conoco took the measure of Sylvester in the afterpiece, 13 to 10.

On Tuesday night Hamlin girls romped on the Hitson girls 18 to 2 and McCaulley staged a thrilling ral-

ly in the last of the seventh to take Hitson 9 to 8.

In the girls game Bobbye Ruth Brown set down 10 Hitson girls thru strikeouts.

Thursday night VFW contested Neinda and McCaulley engaged Hamlin Lions.

Monday night VFW and Sylvester will battle in the first game and Neinda tackles Hitson.

Tuesday's schedule pits Hamlin Lions against Hitson and VFW will compete with Conoco.

Contract has been let by the Hamlin schools for the erection of an addition to the football stadium which is to begin at once.

Contract was let to T. E. Shelburne & Sons and call for the erection of stands that will be in duplicate of the stadium now used at Stamford.

Through construction of the new plant, 2,000 seats will be added to accommodate spectators for the fall classics.

It is felt that the overflow crowds which were in evidence at each game played by the Pied Pipers in last year's schedule.

Arrangements are to be made to offer a larger group of seats under a reserved basis and it is rumored that options are to be offered to further assist in financing the building of the stands.

Superintendent I. R. Hutchingson was not available for detailed information relative to the seating details.

TEN YEARS AGO
(June 2, 1960)

An estimated million dollars is expected from the area's grain crops and should be harvested by early next week, barring unfavorable weather.

Even though the wheat and grain harvest was slowed a few days because of rain it is estimated that 90 per cent of the crop has been brought in.

There was some cutting late Tuesday and combines were expected to be back in the fields at full swing by Wednesday evening, following rains Friday, Saturday and Sunday.

By Wednesday afternoon an estimated 495,000 bushels of grain had been put in elevators with 450,000 in wheat, 25,000 in barley and 20,000 in oats. It is expected that the crop will gross 550,000 bushels and will add close to a million dollars to the area's economic status. Yields on wheat are averaging from 15 to 30 bushels to the acre which is much more than was first expected.

Some of the grains are being stored at the farms for use in feeding and seed, but the 550,000 bushel estimate is for the total crop.

As far as can be determined, there was not an unusual amount of damage caused by the rain. About 85 per cent of the crop had been harvested before the rains fell.

Sixteen children of the Primary School received perfect attendance awards for having been neither absent nor tardy during the year.

They are: first grade, Connie Belle Conner, Janice Louise George and Allen Guthrie.

Second grade, Jana Ferguson, Spencer Ford, Gary Don Maberry, Nora Martinez and Jeannie Trotter.

Third grade, Charles Bogle, Joey Duncan, John Hix, Bill Johnson, Dixie Kelley, Marvin McDuff, Patti Murphree and Milburn Newland.

Homemaking Teachers Attending Conference At ACC

Mrs. Joe Wayne Carter, Mrs. James Simmons and Glenda Hudspeth of Weinert are attending a two-day in-service education conference for homemaking teachers at Abilene Christian College June 4 and 5.

Conference theme is "Homemaking Education - Action in the 70's."

Speakers Thursday will be John Wright, president, First State Bank, Abilene; Leonard Passmore, secretary for Texas Bankers Association, Austin; Harold Bryson, Consumer Marketing Service, USDA; Dr. Eva Thompson, Department of Home Economics, ACC; and Mrs. Sammie Tate Pitt-

man, Consultant for Area IV, Homemaking Teachers.

Friday the speakers will be Abilene homemaking teachers, Ernestine Ashford, Ann Clewlow, Mrs. Kathryn Ryle and Jo Wester; and District I home economist Mrs. Betty Eisenburg.

Lone Star Gas Co. will host a dinner at the Abilene Woman's Club Thursday evening.

Camp Fire Group Tours Abilene
The Fourth Grade Camp Fire Group went to Abilene last Tuesday to tour several industries and businesses. They visited Coca Cola Bottling Co., Borden's, had lunch at Mack Eplen's then toured KRBC, a fire station, the new airport, Bunny Bread

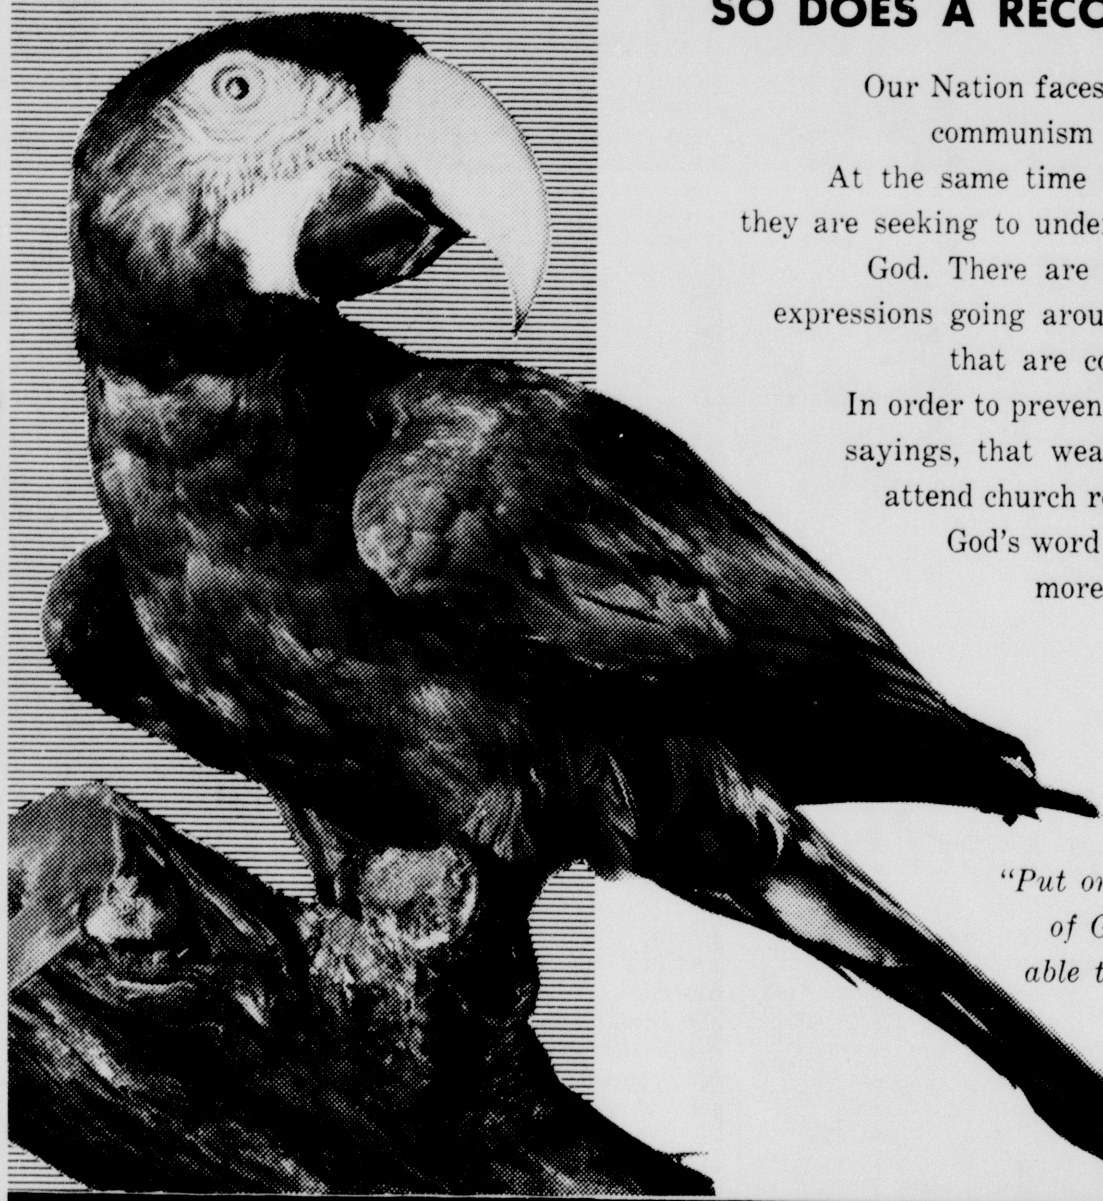

Bakery and the Abilene Reporter-News.

Making the trip were Angie Hilburn, Debbie Richter, Tina Wicker, Sheri Pritchard, Shari Robinson, Delaine Parkhurst, Laura Lee, Juanita Titus, Kathy McGee, Tracy Blanton, Julie Willingham, Margaret Coleman, Sheryllyn Campbell and Darla Pyron.

They were accompanied by adult leaders Mmes. Jack Wicker, Marvin Richter, Earl Pritchard, Lena Lee and Charles Hilburn.

Gillis Paige, who visited in the home of her parents, Mr. and Mrs. Willis Paige last week, attends school in Los Angeles, Calif. She took the Paige's grandson, Michael, back to California with her to visit.

PARROTS DO TALK... But!

SO DOES A RECORD PLAYER

Our Nation faces a serious threat of communism just off our shores. At the same time within our nation, they are seeking to undermine our faith in God. There are many sayings and expressions going around in our country that are communist inspired. In order to prevent "parroting" these sayings, that weaken our nation... attend church regularly, and study God's word so that the truth is more easily recognized.

"Put on the whole armour of God, that ye may be able to stand against the wiles of the devil."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Neinda Philosopher Has Some Strong Words To Say On the Ecology of Swatting A Fly

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One examines a new issue abroad in the land today.

Dear editor:

Now that me and the college students have found out what the word means — you print something often enough in every newspaper and magazine in the country and say it often enough on television and nearly anybody can catch

on — ecology has become a major issue in this country. Everybody is using the word, saying this or that will upset the ecology, or the balance of nature. For example, according to an article I read in a newspaper last night which somebody on his way to an anti-litter meeting threw out of his car near this Johnson grass farm, there's a great protest by some people over plans to build an oil

pipeline across Alaska. They say if it's built under the snow it'll melt the ice and if on top the moose can't cross it, and Alaskan ecology will be shot. Another thinker is denouncing electric light poles, saying they're a desecration of the natural landscape.

I don't know about the moose in Alaska, but one of the prettiest sights I've seen is a line of light poles marching across my pasture bringing electricity to this farm. For a man drawing water with a bucket and rope, an electric light pole with wires leading to an electric pump is a thing of beauty. Some people say yeah, but they could be put out of sight underground. It's all right with me, but where are you going to put your television antenna? If something sticking up is unsightly, nature sure made a bust when she made giraffes and basketball players.

Still other people say it's a crime against nature for man to use poisons to kill insects, but they don't seem to be outraged by the poison some snakes and all wasps use against man.

The way it looks to me, it's time the insects and assorted animals started studying ecology along with the college students. Come to think of it, there are times when some college students ain't doing too much to balance the ecology themselves, unless you happen to think un-smashed windows are contrary to nature.

Understand, I'm all for the real anti-pollution movement, but you can carry ecology to some pretty ridiculous ends. I don't care if it does upset the ecology and the entire campus world, when a fly gets in range of me, I'm going to swat him.

Yours faithfully,
J. A.

If it takes value to make you believe in a car, believe in the new Buick Skylark. Every Buick is crafted with integrity. And filled with value. You get things like a cooling system that should never overheat, even with air conditioning. You get an automobile so well built

that its drive train and chassis are literally tuned to the bias-belted tires that are standard equipment. So that they'll last even longer and provide even greater traction.

One other point. Value also has to do

with the man who sells and services the car you buy. Good service can help you maintain the value of your new car.

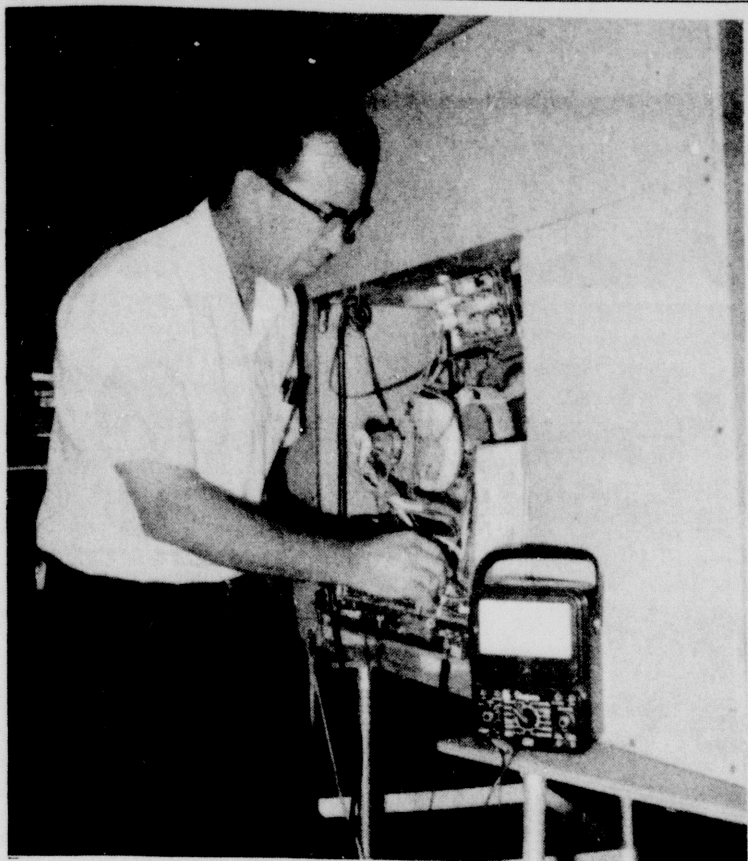

Check the good deals your Buick dealer is offering right now on the Buick of your choice. If you're looking for something to believe in, you'll find it there.

After all, wouldn't you really rather have a Buick?

Buick Value/Buick Dealers. Something to believe in.

Special notice: Prices of all 1970 Opels have been reduced at your Buick-Opel Dealer with no change in features or equipment.

NEWS FROM...

Old Glory

BY BERNICE WHITE

Many here are growing rather weary from staying up at night looking at clouds that have been building up almost every evening during the past week. Rain has only amounted to a few light showers at this time, but wheat harvest and cotton planting have been halted on several occasions.

The Old Glory Variety Club met on Tuesday in the home of Mrs. Travis Beil. The group enjoyed delicious home-made ice cream with other refreshments and games of "84". Members present were Mmes. E. H. Diers, Charlie Letz, Katie Gerloff, Garrett Spitzer, W. G. Wienke, Lynn Flowers, Beno Hertenberger and the hostess.

All of the sons and their families of Mr. and Mrs. Beno Hertenberger were here recently to honor Mrs. Hertenberger on her birthday. They were the Jerry and Don Hertenberger families of Abilene, the Malcolm Hertenbergers of Rule, and Roy Hertenberger of Aspermont. Also

present were grandsons and families, Mr. and Mrs. Doyle Hertenberger and daughter of Irving and Lt. and Mrs. Don R. Hertenberger of Killeen. Others present included Lucille Tyler of Aspermont, Mr. and Mrs. James Martin and children and Mr. and Mrs. Joe Bubela.

Mr. and Mrs. Jerry Callicoate and children, Guy and Jill, of Midland were here last weekend visiting their parents, Mr. and Mrs. Charlie Letz and Mr. and Mrs. Delos Callicote.

Several from here were in a group of people from Sweet Home Baptist Church in Rule to make a trip to Six Flags over Texas on Memorial Day, they were Mr. and Mrs. C. T. Pierce, Debra and Denise, Mr. and Mrs. H. L. Boles, Rickey and Cynthia, Mark Cox, Rodney Dunham, and Judy White.

Terry Sellers, business teacher in Old Glory School, has resigned and he and his wife and little son have moved to Abilene. Mr. Sellers will be employed by Southwestern Life Insurance Company there, and he also plans to further his education there.

Mr. and Mrs. E. H. Diers spent last weekend in Austin visiting their daughter Mrs. Helen Cox and children.

Mr. and Mrs. L. L. Houseworth and Randy attended the graduation exercises of their daughter Janis at Hendricks Hospital Nursing School in Abilene last Friday night.

Mr. and Mrs. Travis Beil and Mr. and Mrs. Charlie Gibson visited Mr. and Mrs. Wallace Rogers in Lubbock recently.

Mr. and Mrs. Bob Coats and children of Wichita Falls were here recently visiting her parents, Mr. and Mrs. J. C. Gholson.

Mr. and Mrs. A. R. Sawyers attended a homecoming dinner at Jud last Sunday.

Word has been received that Joe Elliott passed away in Arlington last week. The Elliotts had been living in Arlington for a number of years, but they were residents of this community during the 1930's.

Jana and Julie Garner of Abilene were here last week visiting their grandparents, Mr. and Mrs. Morris Garner.

ACC to Host First Annual Summer Band Camp July 5

ABILENE — Band directors from Stanton, Brownfield, Hamlin, Clyde and Abilene have been named faculty members for the first annual summer band camp at Abilene Christian College, according to Charles Trayler, ACC assistant professor of music and band director.

The camp is scheduled July 5-17 in Leonard Burford Music Center at the college. "The band camp is open to all interested bandmen who will be between seventh graders and high school seniors in the 1970-71 school year," said Trayler.

Included on the band camp faculty will be George Walker of Stanton, Fred Smith of Brownfield, Tim Jones of Ham-

lin, Bobby Brooks of Clyde, Bill Spencer of Mann Junior High in Abilene and Warren Thaxton of Cooper High School in Abilene.

Four members of the ACC music faculty and four ACC band students will teach in the band camp. Jimmy Mauldin, ACC junior from Clyde, will teach the drum major class. ACC twirlers Sue Churchill of Dallas, Chris Nowell of Lovington, N. M., and Karen Roemer of Port Lavaca will teach the twirling class.

Mr. and Mrs. Royce Stone of Abilene are parents of a boy, Donnie Weldon, born May 27 at 9:56 a.m. He weighed 6 lbs. 1 1/2 oz.

Mr. and Mrs. Jake S. Morgan of McCaulley are parents of a girl, Audrey Elizabeth, born May 30 at 8:15 a.m. She weighed 6 lbs. 4 1/2 oz.

Frank Allen Urges Precinct 2 Voters To Vote Saturday

TO THE VOTERS OF FISHER COUNTY, PRECINCT 2. I would like to take this opportunity to thank each and every voter for the confidence you placed in me in the first primary election.

If I am elected I will strive at all times to work for the best interest of the people of our county.

I would like to urge the voters to go to the polls and vote June 6.

I would like to be your next commissioner and would appreciate your vote very much.

Thanks,
Frank Allen
